“ My dear Aunt Jo you have been an important part of my whole life. I have so many happy memories of you when you and the whole "Lieder Clan" came to visit us in Madison and all of the wonderful holidays we spent together - those huge and delicious dinners at the Royal Inn. You were the center of everything good. I thought you were the most beautiful, fun, and very wise Aunt anyone could have. You are an example of the best wife, mother, grandmother and friend who raised the best children I have ever known - My dear cousins. Rest in peace you have earned it. Love You always Your niece Judi

“ Our condolences to Joyce's family. She is a beautiful person and will be missed. She was my Dental Hygienist growing up and the reason I became a Dental Hygienist. It came full circle later, when I took over her position in Platteville when she fully retired. She was a friend and mentor and we enjoyed our dental conversations through the years when ever we saw each other. I will always remember and cherish Joyce. Penny and Gary DeBuhr
