“ How will we get by without you? I know you knew how much I loved you and I will always love you forever and a day. I will so miss our telephone conversations in which we never seem to be able to say good-bye. Thank you for sharing your love of Randy with me ... a kind of love that people search lifetimes for. Today is my brother Ed's birthday. Please hug him for me and tell all our relatives how much I love and miss them. You will forever be in my heart, Judy.

Your cousin "sister" Jo.
