“ June came to Texas to visit and we took a trip to Austin and San Antonio to the River Walk. We shared some fun times there on the River Walk. We laughed so hard on trip back to my son's house when we finally found where I parked the car. I am so going to miss you, Sis. Coming to Wisconsin won't be the same with you gone. But I will stop at Yours and Jerry grave to say, Hello. I will never light a candle without thinking of you. Love you Sis, RIP

“ My heart is heavy with this loss. June was my stepmom. She always loved me as her daughter even after her and my Dad divorced. We had our ups and downs but in the end we always remained family and loved each other. I will miss her deeply. I will miss her checking on me, I will miss her daily funny posts, most of all I will just miss her. My condolences to my sisters Sherrie and Angel and the rest of the family. -Hugs Sandy.

“ I remember when I met June, she was so nice, kind, gentle a person. I have lots of memories of her and Jerry over the years. All good that I will cherish always! June was always supportive, non judgmental, and just always made me smile and feel better. I will miss her dearly and her "remember your smile" on Facebook! My heartfelt condolences go out to her family.
