“ There are so many memories but I think one of the funniest was going to the house for trick or treating and June was stirring a huge pot, I think it even had dry ice for affect! ( witches brew) And she was dressed up as a witch too!! Normally I was very scared but because this was my best friends mom I knew I could do it. I walked up and said “trick or treat” holding my bag out for the treat!! The trick was before I got a treat I had to sing s song for her!! I think she got me started and even sang along... 😊

June had the strongest Faith, she loved people and especially children. She made everything fun, and made time for everyone. She truly loved her neighbor, as Jesus tells us to do. Her Faith guided her life and the light of Jesus shined through her to guide others into His light too.

I was truly blessed to know this child of God that was put into my life so many years ago!

Thank you for loving and accepting my family June.

You'll never be forgotten, and with the others I love so much, I'll see you when Jesus brings me home to Heaven too!!

The little Eskimo girl from across the alley!

Love Always, Margie, Jeff and Jeffrey jr.
