“ We will miss your wit and undying friendship. You calling all hours of the night. Mark, could you or Laurie come and get me? I had too much and was afraid to drive home. Laurie and I would both go and she would ride home with Laurie and I would bring her car home for her. She would say the next day. I bet you're mad at me. I would say no. I rather you call and we come and get you instead of losing a friend. You would tear up and give me a hug and thank me. Laurie and I will miss you. R.I.P. sweet friend.
