“ I was so sorry to hear about the loss of Kathy. She was a wonderful person with a big heart and quick wit. I will miss the good laughs we had when she came into the grocery store. She was so funny. Her *State Journal* had to be put into the grocery bag a certain way, and NEVER put her milk in the bag! She was always in a rush to be off to her next project but would always take just a quick minute to talk. I'm sure she will be dearly missed by her family and the many friends she had through the years. My thoughts and prayers are with you all.

“ Kathy will be greatly missed by many and as just on of her newer acquaintances she definitely impacted my life. Not only will I miss seeing her almost daily, I will also miss having her share her activities with me, her thoughts about plays, musicals, and adventures she enjoyed; stories about her family members that made them seem real to me though only through her eyes; her experiences that encouraged and gave hope to this "stranger" and watching her interact with people she saw while leaving film to be developed, picking up the treasured pictures, or even just purchasing a *State Journal*. I will greatly miss her visits, her stories, her delightful love of family, flowers, and friends, as well as her encouraging experienced words. Thanks for sharing her.

“ *My sister, Marian, emailed me and asked if I remembered Kathryn Sherman and, if so, how to find her obituary. While Kathryn was a bit older than me, of course, I remembered her as well as her dad and brothers. We only lived a block or so away from each other in Prairie du Chien and I can remember her playing with us at our house and talking so lovingly about her own Mother who died when Kathryn was quite young. What a beautiful obituary of a beautiful person. And what a rich legacy she has left the world! May her goodness live on through her loving family. My sympathy and prayers for Kathryn and all of you. God Bless!*

“ I grew up in Mineral Point and lived in a house on 7th. Street. We often played together. I went to your mother's home many times. When she moved to Praire Du Chen we kept in touch with letters back and forth for a long time. I remember when she meet your father and was preparing to marry him. I recent times I would see her at the Red Rooster and enjoyed talking with her. I am so sorry she is gone and express my sympathy to you all. I am sure she will be greatly missed.
