“ *Dear Kathy and Dale, I am so very sorry to hear of your loss. There are no words that take away the sting of losing a sibling, especially someone who you were close to. My thoughts and prayers are with you and your family. Love Jane Bowden*

“ *I want to express my deepest sympathies to Kirk's family. I was so very sorry to hear of his death. He was a man I shared many a conversation with over the years that he lived in Hurley. He was smart, he was kind, and he was a good dad. We had a common bond as my youngest, Michael, and his son, Tim, were classmates and friends. My parents were Kirk's neighbors - living on the farm before his on Lampi Road. I would hear from Kirk once in a while after he left the area. I would think of him often. May his soul now rest.*
