“ My husband Brad Brennan and I both worked at Ryan's while he was a superintendent there. We did not know he was working in Dodgeville, as that is where we were both born and raised. Small world...our thoughts and prayers are with his family at this time. May he rest in peace. Janelle (Harris) Brennan

“ Kris, you will be missed. Thank you for touching my life and my children's lives in a very special way. It was great to be neighbors, and to build unforgettable memories for our kids living right across the street. We loved watching when you pulled in the driveway at the end of your day, and your kids would run to the truck with such excitement, not leaving you any room for you to open the door. The smiles and energy were priceless. They loved you, and you were always a great Father to them. God Bless Denise Brown
