“ *Though Kylie Jo entered this world with trials and challenges, her devoted parents Trent and Stacey Pilling provided her with love and joy and siblings who added so much to her life. Her cousins, aunts and uncles and extended family from school and church added richness to her life.*

*Though she was our great great niece, and we live far away, we were kept up to date by her loving grandmother, Vicki. Kylie Jo enjoyed a full life surrounded by love. Now there is one more angel in Heaven.*

*With love, Great Great Aunt Rae and Great Great Uncle Earl Boeshaar, Atlanta, GA.*

“ *Thinking of you Trent, Stacy, Kaleb and Faith at this difficult time. Sending my sympathy and appreciation for allowing me the opportunity to know and spend time with such a sweet, funny and loving girl.*  
*I loved skating with Kylie in Phy Ed, decorating her "bikinis", going to UW Platteville swimming and spending time making Kylie laugh! We loved visiting the office ladies, running in the hall, and hiding from Sue and Heidi! Kylie made every day fun and kept things in perspective.*  
*I will always have a special place in my heart for Kylie!!*
