

Larry D. Conley

September 19, 1948 - December 18, 2021

Ridgeway - Larry Conley passed away in Darlington, WI on Saturday, December 18, 2021 at the age of 73. He was an animal and nature lover, science enthusiast, and an utterly charming man.

Larry was born in Richland Center, WI to Millard and Shirley Conley on September 19, 1948. He was a Vietnam War veteran, having served in the United States Navy aboard the aircraft carrier USS Oriskany. Larry never retired as he loved his work – he worked full time, and did so until weeks before his death.

Larry is survived by his mother Shirley Conley, his son Justin and daughter Courtney, his sisters Barb and Melinda, his brothers Dean and Tom, and his grandchildren, Drake and Raquel.

He was preceded in death by his father, Millard Conley.

Larry loved to laugh, and loved to make people laugh. He had a ready smile, and a vivid sense of humor ranging from dry to bawdy. He loved Westerns, keeping up on scientific discoveries, and the man loved his coffee.

He really enjoyed coffee, seriously.

Larry will be missed, and we are glad that he lived a full life – a human life, filled with love, hard work, friends, and family.

Larry will be cremated as per his wishes. There will be no services.

“ Our condolences to Larry's family. We loved his stories of helping on Charlie's farm near Hollandale, being in the Navy, plowing snow, hauling cement in Lafayette County, and his current work at County Materials. Over many pots of coffee, we got to know him and his family. He shared many ice cream cakes with our family and we so enjoyed his company. We feel blessed that we got to know him and he will be missed by all of us.

Larry, this is your Aunt Connie! I am thinking of all the memories we have made on the farms. I am only 14 months older than you, so I was the boss!!! Lol Your mom and I are sisters. Everytime I look at a picture, when we were in the little house in Boscobel and you have that little smirk smile, because you were going to run over my barefoot, I have to smile! You still had that great smile! I am so glad I spent the time with you on Friday, when they brought you to the hospital!! I will never forget it.

R.I.P. Larry. Aunt Connie

“ Our sincere sympathies to Larry's family. He was a great conversationalist and very witty. We also enjoyed the visits and waves along Trainor Road especially when he was mowing the road banks or plowing the snow with his Farmall H. He was a great neighbor to all of us on Trainor Road. Rest In Peace Larry.
