

Laurie Lynn Wallace

March 24, 1956 - February 19, 2023

Mineral Point – Laurie Lynn Wallace, 66, of Mineral Point, passed away unexpectedly of a stroke on Sunday, February 19, 2023 at UW Hospital in Madison, surrounded by her family.

Laurie was born on March 24, 1956 in Dodgeville, a daughter of Douglas Bennett and Nancy (Bennett) Hendricks. She graduated from Mineral Point High School in 1974 and later received her BSN from Viterbo University. Laurie worked at the VA Hospital in Madison for 36 years where she loved caring for the veterans. She and her co-workers had a mutual love and respect for each other, and Laurie was admired for her strength and knowledge.

In 1988, Laurie married her beloved husband, Larry Wallace. They were the perfect match and went on many grand adventures together, but their greatest adventure was raising their two daughters, Shelby and Savannah.

A bucket list to Laurie was not just an idea, it was an experience. Besides running countless half-marathons, taking sailing lessons, going on numerous horse and skiing trips, she recently completed one of her most lofty goals, which was hiking to Mount Everest base camp.

Most importantly Laurie loved spending time with her family and close friends.

She brought joy and laughter with her to every room she entered. When she laughed, we all laughed. In her own words, “I think that a sense of humor is what gets you through life. If we couldn’t laugh at ourselves and others, what a not so nice place this would be.”

In her own words, Laurie recently wrote, “The older you get the more you appreciate all the little things...like if my children are happy that makes me happy! Just sitting here now on the porch with the sun gently setting in the West. The dogs are chasing each other around the yard. The work for the day is done and it is kick back and put up your feet time and I think this is the perfect happiness.”

Her legacy is carried on by her husband Larry; her daughters Shelby Wallace (Chris Mleczko), Savannah Wallace; her son Michael (Meaghan) Fitzgerald; her treasured dog Finnegan; her brothers, Mark (Gail) Bennett, Jeff (Beth) Bennett, Clark Bennett, Steve (Tammy) Bennett; her sister, Sarah Bryson; her mother and father in-law, Ron and Shirley Wallace; her brothers-in-law, Mark (Tina) Wallace, Ken (Geraldyn) Wallace; her grandchildren, and many nieces, nephews, and friends.

She was preceded in death by her father, Douglas Bennett, her mother, Nancy (Bennett) Hendricks and her Aunt Margaret Pardun.

A Public Visitation will be held from 3:00 p.m. until 7:00 p.m. on Thursday, February 23, 2023 at the GORGEN FUNERAL HOME in Mineral Point, WI. There will be no funeral, per Laurie’s wishes.

In lieu of flowers, Laurie’s family would appreciate a donation to Laurie Wallace Memorial, c/o – Farmers Savings Bank, 305 Doty Street, Mineral Point, WI 53565, which will be put toward a charitable donation to a Wisconsin wildlife rehabilitation foundation. This was a cause near and dear to Laurie’s

heart.

“ *Such a caring, sweet woman. My wife and I loved our visits with her when she would visit our aunt Marge in Eau Claire.*

“ *Laurie was so full of life and her laughter filled the room. She was always eager to share her knowledge and help in any situation she could. I learned so much about nursing and caring for patients from her. She was universally loved and respected by all of her coworkers and we are crushed by her passing. But know that she will always be remembered for her kind heart and generous spirit!*

“ We were absolutely in shock to hear the passing of our neighbor, Laurie! It was almost a daily occurrence where we would see Laurie out walking with her dog(s) and enjoying the fresh air! She would always make sure to stop and say hello to her horses and even our horse across the fence would always be on the look-out for her to go walking by! She had a way with people and animals, that was obvious. Even yet today, our horse is standing in our pasture looking and watching and waiting for Laurie to walk by with her dog. You could always count on her to have a bright smile on her face and she waved hello whenever we would see her. Our kids often said that she was the most kind person and we agree. Larry and family, you have our most deepest sympathies and words can't even say how sorry we are for your loss! You will be in our thoughts and prayers!!

“ I have known Laurie for over 28 yrs. She was an amazing nurse. She ensured her patients received the care they needed. She was the kindest person I ever met. I enjoyed working with her. Her family and friends are in my thoughts and prayers

“ I worked with Laurie for years on 4B and stayed in touch after we both changed units. She was such an amazing nurse— loved by all who met her including her patients. The VA is a tight knit community of lasting friendships often more like family, as we see each other more than some family. Her passing is a shock to everyone who knew her. She packed in more adventure in her young years than many and will be remembered for so much: her energy, love for her family and friends, love for her animals, her generosity, and caring nature for all. I'm sad I can't make the visitation tonight, but know so many share in your sadness and pain. Sending hugs and love to her family, VA family, and all who knew her. Pam Schultz, RN VA Operating Room

“Hearing of Laurie's passing left me speechless and heartbroken. Although I had only recently met her during our EBC trip in Nepal, I was struck by her loving and caring personality. She had a kind heart and was always willing to help others, including animals. I recall how she would always put a piece of bread in her pocket and feed all the dogs we encountered along the way. It was heartwarming to see her show such compassion towards them. I also remember the moment we waited eagerly for the perfect shot of the plane landing in Lukla. Unfortunately, due to the weather conditions, we were not able to capture the moment. However, I want to let you know that I did record a video for you after our trek ended. I hope this video will serve as a small reminder of the beautiful memories we shared together. It is hard to believe that she is no longer with us. Please know that you and your family are in my thoughts and prayers during this difficult time. I know that Laurie was an amazing person and her presence will be greatly missed by many. Please accept my deepest sympathy. Much love from Nepal.

“ *Sending thoughts & prayers to Laurie's entire family and close friends she all loved so much. As a classmate & good friend, I often admired Laurie's zest for life. Always full of adventure & fun, and of course as a young girl, keeping up with her brothers. Via Facebook messages I sent her a note not that long ago telling her that I was living vicariously through her adventures and her travels. One in particular was her sailing lessons @ UW, something that has been on my own bucket list for years. Laurie responded back "That's awesome, come on along!" Bless your heart.
Laurie you are missed already, and will continue to be missed forever by so many lives you touched. Fly high above the clouds! I came across this today, and thought of you. R.I.P.*

“ *My sincere condolences to Laurie's friends and family. I had the good fortune to meet Laurie on the Nepal trip. Her positivity, humor, and kindness enriched all around her. Her kindness extended to the many dogs we encountered, treating them with treats and ear scratches. She will be missed*

“ Dear Laurie, how do we move on without you?!! I am crying myself to sleep each night, as we can't believe you are no longer with us! We keep asking why, but remind ourselves that God had a plan for you. Now, we have a special angel in heaven!! You were the best friend that Lou Ann, Chris and I could have ever asked for - we are so forever grateful! We cherish all the hearty laughter, your beautiful, kind and caring ways and your sweet and gentle soul!! We've known you since Sunday School and have remained friends since! I will never forget when you, Chris and I would anxiously wait for work to get done on the weekends, at 18, so that we could hang out and live-up the night away! We laughed until we cried! We laughed at each other's laugh! We would dance at The Summer Blues and then find another place, because we weren't done having fun! We remember all the giggling spells in church choir between you, Lou Ann, Chris and I when we were young and supposed to be singing! To our beautiful, laughing buddy, and sweetest forever friend, until we meet again, we love you so much!!! Our hearts go out to all of your family and friends, you have our deepest sympathies! With Love, Cindy Ayers, Christy Miller and Lou Ann Aurit

As a youngster it was had to get to sleep with all the giggling coming from Laurie's room when you guys were together. You guys never grew out of that. Making her laugh was what made me the happiest.

“ I was stunned and heartbroken to hear of Laurie’s passing. I am so grateful I got to know her and spend time with her in Nepal. She was so strong and positive; a kind and generous person with a wonderful laugh -- an instant kindred spirit. We already had plans for future adventures together in Wisconsin, New Hampshire, and Peru. Laurie made friends with every animal we came across. She saved extra French toast every morning to feed the dogs we met along the way, and greeted and petted every horse we passed. She will be with us in spirit in Peru. My deepest condolences to Larry, Shelby, and Savannah – I didn’t get the chance to meet you but she told us such wonderful things. Laurie, you will be so missed.

“ I was shocked and saddened by this news. I was lucky to meet Laurie on our recent hike to Everest Base Camp in Nepal - she was an amazing travel friend, always so caring and encouraging when the going got tough. She was a true animal lover - I think she petted every yak that passed us on the trail!
My sympathy and condolences to her family and friends - you must be devastated, I will keep you in my thoughts and prayers.

“ I am so saddened by the news of Laurie's passing. We just returned from our big hike to Everest Base Camp and though we had only just met in Nepal the trip brought us all so close. Laurie was an inspiration, always positive and cheerful, and that was a tough hike. I will always remember her telling us that she was going to drink milk at every meal to support the dairy industry. She was so smart to do that not only for the cause but for the nutrition. I will think of her every morning! We had planned on hiking together, several of us from the EBC group in Peru in Fall. We will make a tribute to her memory and I will always remember her! Thanks for being my friend.

“ Laurie was my co-worker @ the VA hospital many a year. IT was a shock to hear of her passing. Such an explosive laugh. She was a woman of honor n dignity, compassionate. Laurie was mother earth: grounded, self regulating, life giving. I think of a quote by Lao tzu/chinese philosopher related to all her adventures: " a journey of a thousand miles must begin with a single step". She took her journeys to the fullest. I will miss her.

“ I had the privilege to get to know Laurie in Eau Claire during her Aunt Marge's final days. Laurie was so attentive and caring and loved her Aunt so much. Even though we knew each other for a short time through Marge, it felt like we knew each other all our lives. She was just that kind and wonderful and caring. She touched so many in such deep, meaningful ways. May the One who offers Comfort and Peace be real and hold you tightly in His Grip. Cindy Tewalt
