“ Many great memories of Leo. He worked for Terry at Terry's Mobil station, one of our fondest is when Leo skateboarded behind Terry's Chevelle, thru the side streets to avoid the cops to the A&W for a burger. Terry & Mary Jo Bystol

“ Dear Leo,

*We first met you at Oshkosh during one of the worst storms  
“AirVenture ” has ever seen.*

*All night threw rain and thunder, but you kept going...*

*During that week we our families became friends.*

*So thankful for the good memories we made last year at OSH '22.*

*Be sure your friends from the Netherlands 🇳🇱 are with you in memory.*

*And we will continue the friendship we share ...*

*You will be missed !*

“ I am so heart broken. Leo was a classmate and one of our class clowns. I always wanted him in my classes, he made learning fun and taught me the importance of laughter.  
Many years ago I worked at Jeffrey’s and one of the last conversations we had was about his Christmas tree that he had cut in half. The top half was on the roof and the bottom in the house. He was so proud of that and how it made his kids laugh. I wouldn’t expect anything less from Leo. He was a memorable human and I look forward to seeing him on the other side. I send big hugs to his family and kids. Remember to laugh and tell “Leo” stories forever.
