“ *It is so very difficult for me to express how I feel. Linda was one of us, the wives of the husbands who served. We loved each other and at times comforted each other We were friends. We shared so many laughs and expressions of love. Linda was a kind, considerate woman of deep faith. Our chain is broken but one day we will all be linked together again. My heartfelt love and sympathy to Gary (Grif), Ronnie, and Sara and families. I know that Linda is in a better place and that she is catching up with Jill and my late Husband. She will truly be missed by all of us Until we meet again, Rest in peace.*

“ *What a beautiful lady Linda was. Even in her pain of losing her precious daughter, Jill, this past year to cancer, she wrote us a wonderful thank you note for some flowers we sent to Jill's funeral. Our profound sympathy and prayers for Gary and all the family.*

“ My heart is broken for all of Linda's family, who are so dear to me. My deepest sympathy to you all. One of my earliest memories of Linda are when we were little kids and we'd play at each others houses. I remember how much I loved it when Linda would "play house" with all us little girls - it was so fun to have a "big girl" play with us (although Linda is only 4 years older than me). I also remember her pretty blonde hair. Such a sweet and kind woman. She will be missed by us all.
