“ *Our Dairy farm used the Dodgeville Vet Service when Lois worked there.*

*A wonderful Louis smile greeted me each time I stopped in. Bandit, my cow dog found her dog cell several times .*

*Bandit and I would visit the good old Quality Bakery in Dodgeville for milking crew donuts early mornings. Some how Bandit would find his way 2 miles into town on his own 4 legs. This prompted the local public safety authorities to capture Bandit with a donut as both parties met early mornings at the Quality Bakery. That prompted a trip to the vet service where Lois promptly locked the donut munching Bandit up.*

*This occurred several times causing a dimmer smile from Lois as I imagined she was getting early morning calls to her office if she wasn't always an early riser from the good old days.*

*She knew it was time I need be making some changes for Bandit but I think Lois enjoyed the temporary excitement she pulled her away from book keeping and such other dull duties of her trade.. I do wonder however if that donut eating rascal found Lois as she entered the pearly Gates!!!*

*Thanks for being you Lois.*

*Our heartfelt condolences to your family.*
