“ *So sorry for your loss. I'm not sure the first I met him, but I always saw him and would say hi! He was a very kind man and will be missed.*

“ *It is with much sympathy that I write this. Lonnie and I have been friends for many years. We would usually see each other at dances, and always tease each other by being the first to say, "Are you still single?". He was a very nice man with a big smile. I will miss seeing him around.*
