“ Lora was AMAZING. I admired her endless energy and positive attitude. She was always on the go, but never too busy to help a friend or stop and chat. She had the biggest heart, and her loss leaves an even bigger hole in the hearts of all of us that knew and loved her. I will think of her with a tear and a smile each time I put on my boots and load my dogs in the truck.

“ Eric Johannesen- This is so heartbreaking. I had the fond memories of working with Lora as a student and FFA member at IG and later on as a fellow swine superintendent at the Iowa county fair. I admired her ability to work with all of the exhibitor in the swine barn. One of my fondest memories at the fair was always sale night. I definitely got the look on a few occasions because she was drowning in pigs.

*I know my son Casey appreciated all of her patience and help as an exhibitor at the fair.*

“ This is so sad and such a strong woman. She took charge and was always a leader in what ever needed to be done. The Liddicoat and Springer families have lost a great family member, and Dan has lost a most beautiful wife who had many great years together. She may be gone but never forgotten.

Lora was one of THE kindest people around. My husband realized they were cousin's after she began working at the Ridgeway Post Office. They started hanging out together and she often checked in on me when my husband was out of town. She really had a heart of gold. We are so so sad about this tragedy and will be missed so much. Our deepest sympathy goes out to her family and friends. Mary and Jim Tredinnick
