“ I am feeling shocked & heartbroken. I'm so grateful that I happened to catch both of you at UHH just a couple of weeks ago. Lori was one of the most caring ladies I've ever known. She had such a heart for animals, especially the goldens. Oh and her pumpkin bars were legendary!! They were such a boost to the staff & volunteers at the Humane Society for years. I feel incredibly blessed to have experienced Lori's light if only briefly. My deepest sympathy to you Dr. Fischer & your family.
