“ *Kathy and Sue. You are both in my prayers with the loss of your Mom. She was so sweet. Her 1st cousin, Maxine Olson passed away in Dec 2019 in McFarland. Aunt Max talked of your Mom alot when I'd go over to visit her. Max had Macular Degeneration also and didn't go to the reunions in the last couple years. We're the next generation for sure now. We were in Az for the winter so didn't hear of your Moms passing. GOD bless you girls and your family. Hope to reconnect at the Reed Reunion in the future. A 2nd cousin.

“ My cutie pie of a Mother in Law has passed. She can now see, set free of the aches and pain that come from a long life that she was blessed with. You know it says in the Bible, "Blessed are the meek, for they shall inherit the earth". That was Loraine. She did not want to be a bother for anyone. Her humility would be a lesson for all of us.

We sure will miss her, but she lives on not only in our hearts, but in the personal traits she leaves behind in her children, her grandchildren, and her great grandchildren. I see it all the time in my awesome wife Kathleen, her daughter. Sometimes, I swear, she even sounds like her. I'll ask the family to look around this week and in the coming months. See what you see of Loraine in yourself and your children. She lives on in all of you!

Rest easy Mom. Know that your family and friends love you very much. Enjoy heaven, for it's a place where you find enjoyment in everything you loved doing here on earth. But this time it never ends. Read, do puzzles, dance, laugh, and eat all you want. They now have a great pasty maker in heaven!

Your loving Son in Law,

Richard Cadriel

Wow Richard you really did describe her life and her family with such honesty and in such a genuine loving manner. She is free to be with all of us all the time now And we will feel and think of her often. We are truly blessed to be a part of her.
