“ *Lorraine was a special wife and mother and will be greatly missed. I used to stop by her house in Mineral Point on the way to Homecoming in Platteville and I loved looking at all her seasonal decorations in the living room. She always pointed out what new things Jill had helped her get- a new lamp or knick knack or wreath or other decorations. I learned that she like Candy Corn decorations so finding new ones for her became a fun shopping mission for me. She always had them up when I stopped by.*

*When her cat Poot was alive he would be by her lap and if I was lucky he would come over by me for a minute. She always liked to hear about our crazy Homecoming stories and I loved these visits every October.*

*Lorraine struggled for a long time with her breathing issues. She was tough and kept fighting. My deepest sympathy to Jill and Mark and to the rest of her family in this time of sorrow.*
