“ I'm so sorry to hear of Lucas' passing. My heart aches for you all. Deb, Kaitlin, Zac, Amy, his boys and everyone else. We had a lot of fun growing up and playing all together as kids. I remember his light heart and silly antics! Why things happen the way they do in life will forever remain a mystery at times. It makes it really hard to cope and move forward when there are so many unanswered questions. I pray that God give you the answers you seek. I also pray that everyone is able to reach out to ask for the help that they need in facing and dealing with this loss. I am willing to research and provide support services contact information to anyone that feels they may need it. My father passed away a few years ago in the same manner. Survivors Support Group has been so helpful in dealing with this. Please accept my most sincere condolences and know that I extend my hand to help in any way possible. 920-229-7439

Hugs,

Chris
