“ *Fabulous person! She always had a smile for me, loved her laugh  
and she had a huge heart. When I worked up at Dick's she always  
came through my lane and we talked a lot. Oh, I am going to miss  
Marcia! Thank you for such good memories! Feel blessed you had  
such a wonderful person in your lives! My prayers are with you and  
your family.*

“ Dear Sara, Dan and family members: I am so sad to learn of your mom's passing. I didn't know her, except through knowing the kind of mother she must have been to bring up a daughter like you. I know only too well (my mom having passed last April) what a hole it leaves in your life, but rest assured that she will take up permanent residence on your sholder and will always be there to guide you.

*With much love, many hugs and a box of Kleenex, your friend Ellen*

“ Hi Darcy and Sara,  
My sincere condolences on Aunt Marcy's passing. I will always have fond and interesting memories of her. My fondest is when she took me in for awhile during one of my wilder episodes.. Her kindness to me was touching. She also made me a Dodgeville Chronicle star for the week with my salsa. I love the picture of us together in the store. Peace and Love, Cindy Collins Cudworth

“ Sara & Darc & family,  
We were shocked to hear of your Mom's passing and all of you have our most sincere sympathies.

*Your Mom's storytelling is bar none, aaaaaaaand, I will miss her sense of humor!! What a wonderful lady, taken from us too soon, but I am glad she is no longer suffering and is, no doubt, jousting with her brothers and sisters above, probably in a hot Euchre game and loving every minute of it.*

*I remember years ago when Brian and I took Sunday drives to visit the Dodgeville and Mineral Point aunties, we left your parents for last, for a reason! We chatted until dark, thought we should leave soon so as to not interfere with Sunday evening dinner, got up from the living room, made it to the kitchen, finally made it down the stairs to the driveway, chatted some MORE in the driveway, finally got into the car, turned it on, chatted some MORE through the windows. I whispered to Brian through a smile to put the car in reverse and slowly start to back out of the driveway....it only took us about two hours to leave, but what a HOOT!!! I can't imagine where some of us got our gift to gab!! Hmmmm...*

*Her presence will be missed at future family functions but her memory will live on! You give'em heck in heaven, Aunt Marc!*

*Love,  
Emmi & Brian*

“ *Dear Sara and Darcia,  
My brother Dave asked me to send along his condolences as he did not know that Aunt Marc had passed away. I am a bad sister, and believe me, am not high on his list right now for not letting him know. My apologies. He wished you both the best and again, said he would have been there if he had known. I keep forgetting that I have two husbands I need to keep track of....! Love to you both,  
David (via Emma a/k/a twin of Darcia!)*
