

## Margaret M. "Peg" Rock

July 21, 1924 - March 11, 2015

Dodgeville - Margaret "Peg" Rock, age 90, of Dodgeville, died on Wednesday, March 11, 2015. She was born in Dodgeville on July 21, 1924 to Carl and Mary (Thies) Rock. She graduated from Dodgeville High School in 1941 and set her sights on a nursing degree from St. Mary's Nursing School in Madison. In 1946, she started her career as a Registered Nurse and retired from the nursing profession in 1988. Nursing proved to be the perfect career choice as she cared for many both professionally and personally throughout her life.

Peg was an avid bowler, a Red Cross volunteer and was always available to her friends and family and others in their time of need. She loved to crochet and many of her nieces and nephews were often the recipients of the throws and blankets she made. She rarely missed a Brewers' game, knew that stats and many times enjoyed a hot dog or two during the games to complete the experience. Above all, her quick wit and great sense of humor brightened up the day of those around her.

She was preceded in death by her parents, her brothers, Tony, Jack, and Bob, her sisters, JoAnn Evans and Mary Misky, her niece, Jackie Palzkill, brothers-in-law, Ralph Evans, Ray Misky, her sisters-in-law, Romell, Kathryn, and Pat Rock.

Peg is survived by 14 nieces and nephews and several great nieces and

nephews.

A Mass of Christian Burial will be celebrated at 11:00 a.m. on Friday, March 13, 2015 at ST. JOSEPH'S CATHOLIC CHURCH in Dodgeville. Monsignor Daniel Ganshert will officiate. Burial will be held in St. Joseph's Cemetery. Friends may call from 10:00 a.m. until time of Mass at the church.

We wish to express our appreciation and gratitude for the wonderful care Peg received by the Hospice staff, Upland Hills Nursing & Rehab Center, Bloomfield Manor and friends who helped out over the last couple of years.

“ Aunt Peg nursed all of us and is a reminder of how to live a good life.

“ My sincere sympathy to Peg's Family. Her consideration and capable care for the ill and injured was always respected. To paraphrase she was certainly 'Rock Solid' in the health care service for this area. May she rest in peace. ken

“ Our thoughts & prayers are with the family.

“ *Portion of Aunt Peg's scholarship award speech '11 - Aunt Peg's secret to the Fountain of Youth is joining a bowling league and taking the occasional trip down to Dubuque. I admire Aunt Peg for often taking the challenging path: going off to Madison and attending nursing school, holding leadership positions at the Dodgeville hospital and her most admirable challenges were to provide quality and loving care for her mother as well as many of her relatives, including my grandma and grandpa Evans. Today, upon hearing all the incredible things Aunt Peg did for so many family members, when I refer to great Aunt Peg the great is not with a lowercase g' relating to my family tree or some sort of genealogy reference. The great is an uppercase G' relating to someone who is grand, sensational, impressive, remarkable and inspiring.*
