“ Sending my deepest sympathy to the entire DeMuth family. To her sons, daughters, in-laws, grand children, great grand children, I want you all to know what an honor it was for me to get to know your loved one. What an honor it was to sit and spend a few minutes chatting with her each day. How precious it was to see her light up when I brought my dog in to visit. Gaining that special bond with folks is priceless. I'll forever remember her perfect smile and those baby blues. Thank you for being an awesome family ❤️ Sending love to each and every one of you.

So very sorry to hear about the passing of a very dear & sweet neighbor. we would sit on her back patio swing or in her living room & chat. She would always look up at my house & know that there was some one there she could call if needed. My prayers go out to her whole family & know that she is now in God's hand & being very well cared for. I will miss her each & every day.
