“ All my memories of Mark are with his beautiful smile always shining through no matter what. Thru the good and the bad times, we could always count on the strength of that smile to shine through. Even at life's hardest moment, Mark was at my home shining that beautiful smile, giving me strength and support. God blessed us with this Angel and has called him home, but left us with the memory of all his love, understanding and strength with that glorious smile. Mark will be missed beyond belief. Thank you Lord for the gift you gave us even for such a short time. Wishes of love, understanding and strength to Mark's family and friends.

“ I contacted Barbara McKinney regarding Mark's passing. Here is her note: "I will always feel connected to people who Mike was in relationship with and cared about. My head has been literally under a rock I am currently running for a seat on the Madison City Council. The primary was Tuesday so I have been going in circles. The general election is April 7. Tomorrow I have a required candidate interview and also this is my weekend for candidate training. So sorry I will not be able to come to pay my respects. Please forgive me. I hope that you will share this. Thank you for letting me know."
