“ *I am so sorry to hear of Marti's passing. I remember her when we lived by each other in Hollandale, I remember she watched Kathy and I when our grandpa passed away in 1977. Then many years later I worked with her at Walmart then recently I would see her at Lands' End. I loved running into her at odd places. I think the last time I talked to her was at Pizza Hut in Platteville. It was just before Erin's wedding, she was so excited to tell me about that. I also remember her telling me she had no scence of smell many years ago, I never forgot that. Keep her memories close. Again, so sorry she was a special lady. X*

“ *Marti, you're in a better place; now you can really hammer down on us. (I worked with Marti at JCPenney-Madison.) Such great times, so many good laughs, and, yes, trials and pain. Marti was always cheerful and looking out for others. Glad we were able to be in touch this past year on FB. My condolences to all the family. Bless all.*
