“ So very very sorry to hear of Mary’s passing. The last time I saw her was when dinner was over at the Graf family reunion in Tomah, and pictures were being taken. There was Mary - absolutely beaming - as she was surrounded by her large adoring family, all laughing and attempting to crowd together to get into the picture. It was so obvious just how much she loved being a mom, grandmother and great grandmother, and how much her brood loved her.

*Rest in peace Mary. You did your job well, and you will be missed.

“ *So sorry to hear of Mary's passing. Over our years of making music together (and visiting in her home over a glass of wine) we saw that her love for her family was always front and center. She certainly made an impact on so many who met her and we all enjoyed her sharp sense of humor. But it was her kindness that stood out most of all. May God hold her family tenderly in the palm of His hand during this time of grieving and goodbyes. May she rest joyfully with her Savior now. ❤️ Luci, Mark, Aaron and Noah Ramthun*
