“ I had the privilege of working with Shorty when we helped build the county center in Wheaton. I always enjoyed his infectious smile and sense of humor! Rest In Peace my union brother! Bill Seger

Shorty and I worked together on many jobs over the years. I learned a lot from him when I was just getting started in Local 701. I've been retired for over 20 years and moved to Missouri so lost contact with most all of my brothers from 701. Not too long ago I ran into Shorty again - this time on Facebook. I would have liked to had a long talk with him but my hearing is very bad and I can't really talk on the phone too well. Shorty was a wonderful person to know and a special friend. I will never forget him. RIP brother and have a Strohs while you're waiting for me to join you. My condolences to his family.
