“ I was very sorry to learn about Mike's passing. I knew him for a relatively short time, but considered him a friend. He not only was a good customer in my video store, he was very helpful to me in other ways, especially with a move that I made less than a year ago. Whenever we were together, we always shared some laughs. He will be missed....

“ Lonnie & I have been thinking of you all since Mike's passing and especially today as you celebrate his life. Our sympathies to you all on this great loss. I first met as a toddler when our parents became friends. We lost touch until our teen years but then we reconnected. Of course we need to remember Mike was a Marine. It was in this part of his life that we became pen pals while he was in Viet Nam and I at Whitewater. He always had a bigger than life personality and upon receiving many letters from all his "girl friends" he claimed he couldn't keep up with all the correspondence. (LOL) So he begged a fellow Marine to please take my name off of his list. That Marine became my husband. We have been married 44 yrs. and it's all due to Mr. Michael Heaton. He was a dandy and will be missed. But certainly will live on in our hearts. So glad to know that Mike was a believer. I look forward to seeing him in heaven.
