“ *So sorry to hear of Mike's passing. I remember almost 50 years ago having interesting conversations with him on the bus to school. He was always so enthusiastic. His mother and mine were good friends, so I was always privy to the events happening in their children's lives. May Mike rest in peace. It is a small blessing that he no longer suffers from his pain.*

“ *So sorry to hear of Mike's passing. I remember him well from gradeschool and high school. He was always so cheerful and happy. He was too young to leave this world.*

“ *I worked with Mike at Wal-Mart in Prairie du Chien. He was a great friend and I had many fond memories of our lunch talks about history, science, politics and Lafayette County. I'm originally from Darlington, wisconsin. Despite the health and other problems he encountered while working he always had a sense of humor to help him get through it. He was a great, intellegent guy and lived a productive life. I managed to see him twice at Lancaster's Orchard Manor. It was a good time despite his illness. I will miss him and may he rest in peace.*
