“ I worked with Nancy at the MJS for about 10 yrs. She was a pro, great soul , and kind to everyone. Wishing Jim and her whole family blessings and comfort.

“ I was an artist in the Creative Services/Ad Design department and dealt with Nancy frequently. I don't have a bad word to say about her. She was always sweet, friendly, upbeat and generous with positive affirmations. Gone too soon.

“ Nancy was such a lovely individual. I worked with her at the Milwaukee Journal Sentinel. She was always a very hard worker, and her customers loved her and many became her personal lifelong friends. Nancy never forgot a birthday. She was very intuitive and lovely to anyone she met . She was a fun loving sports fan too ! Her love for the badgers and the Packers was evident She never forgot her Mineral Point roots and loved her family dearly there. Of course ,Jim was always the apple of her eye and Nancy cared deeply for him ! Nancy will be so missed by so many ! Love you , and may your spirit never be forgotten and it certainly never will be!
