“ *John,*

I was saddened to hear of Nancy's passing. She was such a nice woman. I only knew her from drawing her blood here at the hospital but I felt like I knew both of you as friends. I will keep your family in my prayers.

“ *John:*

My sincere sympathy at this time of great sorrow. I know Nancy suffered with her illness and that she is probably better off now, but that doesn't make it much easier for you. God Bless you both.
