“ *Dear Fred, Ann and family. I was sad to read about your Mom's passing. It sounds like she lived a long and fruitful life. Mom's are so special how they nurture us as we grow up. Having lost mine, I know how special they are. I always have beautiful memories of her as I know you will. I hope you find peace in this difficult time.*

“ *Neva and her family were our very good Waldwick friends since the early 1950's. Our children attended school in Waldwick, participated in 4-H together, and visited back and forth in each other's homes. Neva bowled with me for decades and could always be counted on to lend a helping hand*
She will be missed; condolences to Judi, Cheryl, Fred & Larry from our family.

“ *My condolences to the entire Kendall family. I have great memories of seeing Neva and Eddie attending MP and UW wrestling matches. I always enjoyed our conversations after the matches. I still revert to the note pad that Neva gave to every HS senior wrestler back in the day, which had all my match scores by period with win/loss. What a great lady!*
