“ *So Sorry for your loss Hendrickson Family.
Heather Merrison... He was an awesome guy .*

“ *When I was a kid used to stay with my God-parents a few weeks in the summers that lived behind Hendrickson's house. Sudzy was one of the three guys in the neighborhood who welcomed me. Fishing and swimming down at the bridge, hunting for night crawlers at night, and playing baseball in the little triangle lot behind their house. Occasionally if I was driving through Hollandale I would stop to see if he was home, and he was usually in the garage ready to offer an adult beverage. Reminisce, and it seems like 40 plus years would melt away. I too loved his smile and laugh. I feel blessed to have known him. Prayers to his family and other friends.*

“ I will always remember him as the “cool” uncle. He always had exciting stories from his youth and rode a Harley! Best story was him playing hide and seek with his siblings and I believe my mother, Willie, said she actually hid him in the dryer. I want to say RuthAnn later came through and turned it on with him inside but that may just be my childish memory deceiving me 😊. You left us too soon Sudzy but Mom will love the reunion, keep her company until we meet again. 💕💕
