

Patricia J. Hanson

November 4, 1929 - January 31, 2022

Mineral Point – Patricia J. Hanson, age 92, passed away at Upland Hills Nursing & Rehab Center on January 31, 2022.

Pat, or Patty, as many called her, was born on November 4, 1929, and raised by her grandmother, Catherine Reger and two special uncles, Donald and Ralph Reger.

On February 23, 1947, Pat married the love of her life, George Hanson, and together they raised their five children.

Pat's family was her pride and joy. George and Pat never missed a wrestling match. Whether it was one of her three boys or any one of the grandsons and no matter the location, they were there lending their support.

Pat held many jobs, working at the Cobb Canning Factory, Burgess Battery, the Midway Bowling Alley, and Gas Lamp. But the job she most cherished was working for Ralph and Janice Pittz at the J&R.

Pat was an excellent cook and baker, and holidays were always a feast with all of the trimmings. Extras were always made so that her children could take home "care packages." And don't forget the many pies, lemon meringue and coconut being her two favorites while mincemeat was George's. Rice Krispie bars were always made that sometimes had to be hidden until dinner.

She loved to be outside working in her garden and her flower beds. And collecting angels was her passion.

In their retirement years, Pat, along with her late husband, loved traveling on the B & B Bus to many places including, Graceland, Deadwood and Canada, along with many casinos along the way. On one of their many trips, they attended a Charlie Pride concert and "Kiss An Angel Good Morning" soon became her favorite song.

Pat is survived by her children Dennis (Jeanne) Hanson, Robert (Diane) Hanson, Diane (Mark) Hulbert, Donn Hanson and Betty (Gary) Coyier; 11 grandchildren, 3 step-grandchildren, 22 great-grandchildren and 5 step-great-grandchildren. She is further survived by her sisters, Joyce Speth and Judi (John) Ziehr. She was preceded in death by her husband, George, daughter-in-law, Peggy Hanson, great-granddaughter, Lilyana Thomas, mother, Gertrude Anderson, step-father, Ole Anderson, grandmother, Catherine Reger, uncles Donald and Ralph Reger, sister, Mary Alice Anderson, brother, William Anderson and brother-in-law, Donald Speth.

Funeral Services will be held at 11:00 a.m. on Saturday, February 5, 2022 at HOPE LUTHERAN CHURCH in Mineral Point. Rev. Kate Kieckhafer will officiate. Burial will be held in Graceland Cemetery. Friends may call from 9:30 a.m. until time of services on Saturday at the church.

“ *Pat's daughter Diane and I were classmates. One day when I was about in 5th or 6th grade she came up to me and patted me on the arm. She said "don't you worry about being so big - you can't help it." It took me years to figure out she thought she was the norm and the rest of the world was oversize - I've laughed about it for years!*

“ *Pat was a great lady! As she would say "You know what I mean" as she'd nudge your arm and do her little giggle. She was a very tiny lady, but as the saying goes "Dynamite comes in small packages!" Too many memories to write, but you touched on many in the obit. I know the "neighborhood" parents are all up there having a great time. Sending love and prayers to all of the family. With heartfelt sympathy, Judy Pelton*

PS So sorry to miss the services, but it is Conference wrestling and I have 2 grandchildren wrestling and Joanne has one. I know Pat will forgive us:-)

“ Condolences to all the Hansons. During the summer of 1971 I worked with Pat at 'Model Products' down on Commerce St, prior to heading off to school. She was a delightfully wonderful and jovial person. I know she will be missed immensely. Sincerely, Dave Loker.

“ Grandma Pat immediately welcomed me and my two boys into her family when I married her grandson Travis. She was full of love and laughter and such big open arms and I will forever be grateful that I got to know her and be loved by her. Our boys always remember eating with her; I remember how beautiful she always was, nothing out of place and Travis thinks his love of coconut cream pie started with Grandma! We love and miss you but are super happy that you finally get to rest with Grandpa.

“ *Patty was such a cute little gal and I remember George worked for my father, George Wendtlandt. Patty was a hard worker and I often ran into Patty when I visited Mineral Point. May she rest in Peace.*

“ *The hugs when you entered the house, putting change in my hand so I could get A&W ice cream, pie cooking lessons, and newspaper cutouts on her fridge of my latest exploits. I received many notes from her wherever my Army service took me.*

I think she made every grandchild feel special! I know I did.

I was always one of her ‘angels,’ and I know she is now forever mine — she is watching over us all!
