“ *Kris, I am so sorry to hear of the passing of your Mom. It is so hard to lose a parent. I remember her from when I was a Brownie in elementary school. We use to go to the St. Pauls basement for our meetings. Thinking of you and your whole family at this difficult time.*

“ Please accept my sympathy in the loss of your wife, mother and friend.
I saw Pat not so long ago at the library and she was so upbeat except for her frustration on finding a book she could read - we found some things she thought would be good and gave me that big smile as she left.
She was a very special person who always left you happy to have seen her.
