“ *To the family of Ralph Proctor
We loved Ralph and so glad to say a lifetime of friendship beginning in 1956. The memories are precious and heartfelt. Ralph even gave my brother Bruce and me a ride to school in the fall of 1956, when he was going to work at Blanchardville Co-op. The Belmont meals became our greatest connection and we utilized that time to the fullest. We will always remember Ralph.

You two made it possible for Dad to continue enjoying life after Mom passed. He loved going to the Belmont meal site and best of all the socialization. Thank you for being such wonderful friends to Dad and our family.
