Bob is predeceased by his four loving sisters Peggy, Patty, Jeanie, and Betty Lou and his beloved mother Rose.

Bob graduated from Purdue University, receiving a BS degree in Forestry and as part of his college career spent a summer as a Forest Ranger in the Angeles National Forest in California, bordering the Mojave Desert. He then spent two years stationed in Germany, serving his country in the US Army. He worked as a Landscape Architect for the Indiana State Highway Department, living in Indianapolis, Indiana, until 1968, when he relocated his family to

Sterling Park, Virginia, to take a similar position with the Federal Government.

There, he quickly became involved in community service and was President of the Sterling Park Jaycees, Vice President of the Virginia Jaycees and served on the Loudoun County Board of Supervisors. In his spirit to serve the community, he was also heavily involved in many organizations including the Kiwanis Club, Knights of Columbus, Junior Achievement, and the PTA to name just a few. He was a dedicated parishioner, Choir Director, Lector, and Eucharistic Minister of St. Joseph's Catholic Church in Herndon, Virginia, and then with Christ the Redeemer Catholic Church in Sterling, Virginia.

Bob became involved in real estate and was passionate about it. He founded Scheetz and Lovell Realty in the early 1970's and ran the company successfully for many years. He helped many people purchase/sell their homes and they would become life-long friends. He was an appraiser and member of the Loudoun County Appraisal Review Board.

Bob had an amazing singing voice and was a member of the esteemed Purdue Glee Club, traveling all over the country for performances. He was the Director of the White Angels Nurse's Choir at St. Elizabeth's Hospital in Lafayette, Indiana, of which he was very proud. He would routinely open the Fourth of July festivities in Sterling Park with his singing of the National Anthem and sang at each of his daughter's weddings. His singing of the Ave Maria in Latin was so beautiful. He sang this song, remembering every word, to all his daughters just two days before his passing.

Bob spent his later years living in Dodgeville, Wisconsin, continuing his appraisal business, and where he remained until his passing.

Bob was a very social and charismatic person, who loved his family and his community fiercely. He will be missed.

A private Celebration of Life will be planned in the future.

“ I am very sad to hear about the passing of Bob. My condolences to his daughters and loved ones. I have many memories of Bob starting at about age 11 and I remember how he loved to sing! My mother Georganne Mee and Bob have been life partners for over 40 years and they shared a deep love for each other. They met while living in Sterling Va and after many years moved to Wisconsin. They shared a wonderful life together. I know Bob will be missed by so many, especially my mom. She's not well right now, or she would be writing this herself. My thoughts and prayers go out to the family. May you find comfort in the memories you shared.

*Sincere condolences to Bob's family. My sister, Georganne Mee, and Bob were true soulmates, with an abiding love for each other. Bob had a vibrant personality and the ability to light up a room with his enthusiasm and positivity. They so enjoyed living in their beautiful log home in the country near Dodgeville, WI. Although I had not seen Bob in several years due to his declining health, he will not be forgotten. Sending love and healing prayers.*

“*Met Bob and family at Family gatherings when I was young and remember how impressed everyone was when they learned he was a member of the Purdue Glee Club. As most of our family were Purdue Bound- he was welcomed! It was interesting to read his obituary and to see all of his accomplishments in life. Especially his three daughters. I am glad to have known him and to have reconnected with this three daughters again recently. My prayers and thoughts are with the family ..*

“*Until his exit, Bob was my only living uncle. His exit is a great loss to me. I would call him and read my newest poetry to him. He was a cheerleader spirit to me, always encouraging me to keep writing and displaying my poetry in public settings. He loved to sing, and he loved to dance. I've attached a poem I wrote "for him" about he and my mom Jeanie who were dancing partners. I love and miss you Uncle Bob!*
