“ *Bob was the type of brother who tried to portray himself as thick-skinned and hard to get to know; but if you kept looking deep enough you could see the goodness within . He was a blessing to me throughout my life and he will be greatly missed. My prayers are with his wife and family at this time.*

“ *Bob you will be missed. I know we didn't see each other after Mom's death, but you are my big brother and we shared so much growing up. I have a some very fond memories of our childhood and will always remember the times you were there when I needed you. I pray you are at peace now.*
