

Roger A. Dalsoren

August 13, 1945 - March 26, 2021

Dodgeville - Roger Alvin Dalsoren, age 75, passed away of RFC1 CANVAS on Friday, March 26, 2021 at Bloomfield Healthcare and Rehabilitation, Dodgeville, WI. He was born on August 13, 1945, in Stoughton, Wisconsin, son of Alvin and Ruby (Nelson) Dalsoren. Roger grew up on the family farm where they raised tobacco. After graduating from Stoughton High School, he enlisted in the United States Air Force where he served for four years, spending part of that time in Thailand. Roger attended UW-Platteville on the GI Bill and later began a 35 plus year career at Waukesha Engine Company. He furthered his education at Marquette University and Milwaukee School of Engineering, and received his MBA from UW-Whitewater. Roger met his wife, Joanne, while they both attended UW-Platteville. They were married at St. Thomas Catholic Church in Montfort, WI. Their beginning years were spent living in Waukesha, WI where they were both employed. In 1975 they purchased a home in North Prairie, WI and started their family. Danielle Marie was born on July 16, 1976. Her sister, Amity Joan, followed on August 15, 1979.

Roger participated in annual deer hunts "up north" in Gordon, WI with a crew of family and friends. He also hunted turkeys and spent many hours fishing. Roger golfed on the Waukesha Engine company team. He played poker, "talked smart and smoked cigars" with a group of close friends for many years. Another source of relaxation were weekends at the family cottage on

Lake Koshkonong near Fort Atkinson, WI. Roger enjoyed watching all types of sports on television and in person. He was a faithful fan of Mukwonago High School football and basketball teams for which both his daughters were cheerleaders. Roger kept close tabs on the Brewers, the Packers, the Bucks, and the Badgers. Over the years, the family vacationed in Gordon, Wisconsin Dells, Minocqua, Walt Disney World and Key West in Florida, and Costa Rica. When his career at his long-time place of employment ended, he spent several more years working at Weldall Manufacturing in Waukesha, WI before beginning his retirement. Roger's wife was his care-giver throughout his illness as it progressed.

Roger is survived by his wife of almost 49 years, Joanne (Uppena) Dalsoren; daughters Danielle (Kyle) Cranmer of New York, and Amity (Tom) Valentin of California; brother David (and wife Michelle) Dalsoren of Stoughton; sister-in-law Sharon Lunde (Arnold Dalsoren) of Oregon, WI; and grandchildren Reed and Wren Cranmer and Leo and Finn Valentin.

Roger was preceded in death by his parents Alvin and Ruby Dalsoren, brother Arnold Dalsoren, and sister Patricia Jacobson, and brother-in-law Merlin Jacobson.

Roger was a loving husband and devoted father and grandfather. He will be dearly missed.

A celebration of his life will be held at a later time.

The family would like to thank the staffs at St. Mary's Hospital in Madison, Bloomfield Healthcare and Rehabilitation of Dodgeville, and Agrace Hospice.

“ *I had the huge benefit of Uncle Roger sharing his love of fishing and sports with me. Many of my very best childhood memories involve getting off the farm and going to a Brewer game with Uncle Roger. Or looking forward to family holidays for a chance to sneak away for some fishing. He was just a great influence for me on how to find joy in simply spending time together. Love and prayers to the family and look forward to seeing you again Uncle Rog!*
