“ *My deepest sympathies and condolences to family members of Ronnie Pierick. Ronnie and I were classmates and friends during our youthful High School years. Over the years we lost contact, but finally reunited in the fall of 2018. at Bloomfield Manor. I remember Ronnie was not in his room. When he entered, his comment was "who are you". My comment was much the same. "You are"? We had several hours of good conversation. It was a conversation I will always cherish. In my 2019 Xmas card to Ronnie I told him I wanted to visit him this spring. Just last week I sent Ronnie a letter explaining that due to the virus, a visit was not possible*

*Ronnie will always be remembered and in our thoughts and prayers.
RIP dear friend and classmate.*
