“ *My heart goes out to Rosalie's family at the loss of their Mom, Grandma and Great-Grandma and to LouAnn for the loss of her sister. I have known Rosalie all of her life, being her older cousin by 4 months, and have so many wonderful memories. Even though we were very different, we had a special love for one another. Rosalie loved her family and her greatest joy was talking about them. She enjoyed leading the trips and meeting new people. She will be greatly missed.*

“ My sincere sympathy to Rosalie's family. I enjoyed going on many trips with her and some of them were very exciting, like when our bus burned in Ohio on our way to Canada. I will miss her storytelling on future trips I take. I feel bad she didn't get to take a few more trips because of covid. Hope she gets to see lots of beautiful places from Heaven. Donna Toay
