“ *The best memories I had of Aunt RoseMary were those when she would come during the holidays & we had a "furry" couch cover that would only be put on during special occasions and this is where she would sleep when spending the night. God Bless You Aunt RoseMary - please give Gramm a hug from me.*

“ *Oh my God I just found out Rose passed away I was calling her today to see how she was doing and her phone was disconnected and that's not Rose. I just don't know how I feel. I called and talked with Dean in Deforest and he told me, I left a message with Craig I can't believe it... That was the last time we talked a few months ago. Argall's and Schaaf's you all have my very deepest sympathies. Oh my God, I would have attend the services, I just did not know, I'm so sorry. Francine*
