“ *I worked with Sandy at Lands'End. I remember her as a jovial person. I saw the obituary to late to make it to the wake or funeral. My condolences to her family.*

“ *My heart goes out to my grandchildren and their extended family on our loss of a fantastic person. Sandy was far too young to have her life taken away. Many great family memories will remain with us. Until we meet again, my love goes with you Sandy.HXZ4C*
