“ *My sincere condolences to Cheryl and family on Sath's passing. We were coworkers at American Red Cross and I have many fond memories of our time spent working together. He had a strong sense of justice and advocating for others and a great sense of humor that saw us through some challenges at work.*

“ I knew Sath Menon in Baroda when he was growing up, specifically in 1960. My father was a Fulbright professor in Baroda, and his parents, the Drs. Menon were our sponsors and hosts. His mother, a medical doctor took care of me when I had a bike accident, and many other overlaps. His sister Anila, was a very special friend, and visited me in Madison before her death which I heard about from brother Gopi.

Somehow I didn't maintain contact with Sath in spite of some efforts. I heard a little about him over the years, and am so sorry to hear of his unexpected death. My thoughts are with you. Martha Link Casey, madison WI. mcasey@.edu

“ Sath was always an advocate of doing what was right, and would back up his words with actions, always ready to roll up his sleeves and help where ever he could! His smile will be greatly missed! Take care Cheryl & family.
