“ Sorry to hear Sharon passed. Always enjoyed our chats when the opportunity presented though not often . I stood with her husband, Richard in Barbara Armstrong and Val Feiner's wedding, caught up with him on occasion when he worked at Dodgeville WalMart. He was a kind man. My husband, Richard had difficulty in the store walking he noticed while working, he took time to go get him a electric cart to drive. My Richard gave us a laugh as he speeded off briefly to catch up with someone he knew. He used one always after that when we shopped there /we would look Richard up to catch a brief chat whenever we could. Good memories of two good people. Keep your memories of them both. Sharon always came to the mineral point reunions held at Tully's in Monona. She was always fun to be with and I can still hear her laugh. May Sharon rest in peace.

Sharon and I have been best friends since third grade. Her smile and happy attitude were always present. We shared many experiences that we would laugh about in our recent phone calls. Our "giggling" got us in trouble more than once. You will be missed at our class gatherings. Now you are at peace with no pain. I will miss you. Joyce Laverty
