“ So sorry--doesn't seem that many years ago we had kids in school together. Sharon and I were co-workers at Lands' End in the good old Returns department. Remember well some of the antics she did. She was fun loving in the day and that is the way I will always remember her.

“ Sharon was a beautiful women inside and out. If we had lived closer I know we would have had a sister type of relationship. She raised a big family, had a husband that loved her deeply. She suffered too long and is now in peace. Love to you my dear friend.
