“ I worked with Sharon over almost the last 20 years at UW Medical Foundation. She was a great person to work with and a very hard worker. She had a quiet humor about her. I remember the sound of her laugh. Over the years we became friends. There was no one else like Sharon. My heart is heavy now with the sudden loss of her. I will truly miss her. My thoughts and prayers go out to Chuck and the entire family during this time of their loss.

*Respectfully,

“ When I was young, probably 10 or 11. Our family had a picnic and the whole family was there. Sharon was blessed to sit across from me. I know its hard to believe but she was extremely quiet. During the meal someone said something funny and at the same time I was taking a drink of red koolaid. Poor sharon was blasted in the neck and shoulders with red koolaid. I was so scared of her and after the initial shock she laughed and I remember feeling so relieved. She put up with alot from chuck's little sister that he spoiled. We will all miss her laugh..especially when shed laugh at chuck. May you be whole, with no pain, enjoying Heaven.
