

Shea Thomas Harrod

August 25, 1984 - July 25, 2025

Mineral Point - Shea Thomas Harrod, age 40, of Mineral Point, passed away unexpectedly on Friday, July 25, 2025 at his current home in Watertown, Wisconsin.

Shea was born in Dallas, Texas on August 25, 1984, the son of Ted Harrod and Jodie (Wheeler) May. He moved to Mineral Point as a toddler and graduated from Mineral Point High School in 2003. He was a “reel” movie buff - he loved to watch them, learn about them and create them. While still in high school he carried that love and his entrepreneurial spirit into his first career as the creator and CEO of Three Stripes Media where he made many home movies, graduation and wedding videos. As a sophomore Shea exhibited the Grand Champion Steer at the American Royal in Kansas City. As a result, he was given the opportunity to intern at Cerner, now known as Oracle Health, a health IT company. In his first year he attended Southern Methodist University (SMU) in Texas.

The following year he transferred to the University of Texas at Austin where his love for the Longhorns continued well past his graduation. During his time at UT-Austin, he studied abroad at the University of Sydney in Australia. In 2007 Shea earned his Bachelor of Science degree in Radio-Television-Film. He used his degree and talents working in Digital Marketing at Lands’ End, The City of Broken Arrow, Oklahoma, City of Enid, Oklahoma and most

recently The City of Watertown, Wisconsin.

Shea was passionate in his love of horseracing. He attended countless horseraces, tracks and loved his time at many Kentucky Derbies. He parlayed his love of the ponies into a percentage owner of a racehorse, "Munny Problem." Shea made as many connections and friends in the horse racing world as he did everywhere he went. And Shea "went" a lot. He loved to travel! He loved a good road trip - near or far. His spontaneous nature meant he was always up for an adventure whether it was to discover a new supper club, listen to live music or simply dragging family and friends along for whatever shenanigans he could get into.

Shea is survived by his parents; Jodie and Bobby May of Mineral Point and father Ted Harrod, Jr. of Texas. He is further survived by his siblings; Jacqueline Harrod (Kevin Frija) of Florida, Brock (Aubri) May of Mineral Point, Lauren May of Oklahoma and Zach Dickinson (Lexi) of Texas. He is further survived by his nephew Hudson Frija and nieces Blayke, Brighton and Bradli Jo May. He leaves behind two of his grandmas, Mert May and Leslie Wheeler along with many special aunts, uncles, cousins and friends all of which had a very special place in his heart.

Shea is preceded in death by his grandparents El and Delores Weinbrenner, Darryl and Patricia Wheeler, Ted and Jacqueline Harrod and Harry May, as well as his beloved Aunt Sue Gevelinger.

To know Shea was to love him.

“ Shea was an amazing friend and person. He would dress up as a skeleton for the Haunted Gym the City of Enid has when we both were working there. He would scare everyone and all I could do was laugh with him. I enjoyed talking to him and working with an amazing guy

“ *So sad to learn about Shea's passing. I will treasure the memories from sitting next to him while working together at Lands' End. Always a smile and positive attitude! Us girls loved it when he'd ask our opinions on the color of his attire for an upcoming Kentucky Derby. This tie with that shirt? Since we both moved on from LE, I always enjoyed checking in with him around Derby weekend to catch up on life. He will be missed. Love to his family, Karen Hassler*

“ I am devastated by the news of Shea’s passing. We have spoken multiple times a day for more than five years. Though I’ve not seen him in person since he left the City of Broken Arrow, I consider him one of my closest friends. I will cherish our chats forever. Blessings and comfort to his family. I still can’t believe this news.

“ A kind soul, a steady presence, and a face we all looked forward to seeing.

Shea was more than just our monthly Enid Monthly delivery guy — he became a true friend to so many of us. Every time he walked through the office doors, he brought with him a quiet joy and familiar comfort. We still smile thinking about his love for a personal pan pizza from Pizza Hut — it was a little tradition that somehow always made the day better.

His dedication to capturing the spirit of Enid through his work was unmatched. He had a gift for showing up — not just at events, but for people. Whether he was behind the camera or stopping by for a quick visit, Shea made an impact that reached far beyond his job title.

When he left the department, his absence was deeply felt. And now, as we face the reality of his passing, that feeling has only grown. We miss his laughter, his presence, and his quiet, unwavering kindness.

Thank you, Shea, for all the moments — big and small. You will always be remembered with warmth and gratitude.

“ *How lucky were we that Shea "became a Boddicker" that summer in KC years ago. He became a member of our family that summer and we've all loved him as our own ever since. Memories we will forever treasure. The world has lost a bright light, as Shea brought nothing but JOY to those around him. Sending you all our love, our hugs, our thoughts, and our prayers as you navigate this unimagivable, shocking loss. You have our deepest sympathies.*
