

Steven Edward Heron

April 11, 1952 - August 21, 2022

Mineral Point - Steven Edward Heron, age 70, of Mineral Point passed away peacefully on Saturday, August 20, 2022 at his home.

He was born in Oahu, Hawaii on April 11, 1952 the son of William and Betty (Kinsey) Heron. He married Zian Chen in China.

He loved the outdoors and was happiest riding one of the many motorcycles (including racing motocross). When riding, he always took the backroads as it was about the journey & not the destination. Also loved going fishing & camping (probably due to being a boy scout, with our Dad as leader). He graduated from Canyon del Oro high school in Tucson, AZ. Earned a black belt in Taekwondo and a black belt in Kajukenbo, along with teaching students in his own school. His biggest passion was playing music. He was in several bands, playing both lead & bass guitar, piano and singing vocals. He also did window washing & owned his own Chinese restaurant, with his wife Zian for 11 years in Mineral Point, WI. In his spare time, he enjoyed both collecting & shooting guns, throwing knives and his bow & arrow. He had a great sense of humor (hilarious), loved butterscotch pudding, old clothes and his fur babies. He had many friends who will miss him, along with his family. Thank you so much for all the prayers and good energy sent his way♡

Steven is survived by his wife Zian Chen; three daughters Yanna Qui and her

son Ru Chen; Yanrong Qui; Sophia Qui and her daughter Seleen Yoo and son Sejoon Yoo; a sister Nanci (Rick) Parham and their three children Melodi (Ki) Snapp and daughter Camille; Kat Parham and son Jaden; Blake Smith.

He was preceded in death by his parents William and Betty Heron.

A Graveside Service will be held on Saturday, August 27, 2022 at 1:00 PM at St. Mary's Cemetery in Mineral Point. Fr. Michael Tarigopula will officiate.

“ Steve was my best friend for more than 20 years. In 1970 we rode our motorcycles from Tucson, AZ to Gainesville, Florida. We were 17 at the time. We had great times for many years, and he always be my best friend. R.I.P. my friend.

“ Steve was my best friend in high school and several years after until our paths went in other ways. We rode our old Triumph motorcycles from Tucson to Florida and back in 1970 at age 17. We had a lot of good years doing crazy things. May your journey continue my friend.

“ This is a huge loss to many. I have known Steve for 52 years. I met him when he came to Mineral Point so long ago. I played in a band with him and went out on the road with the band. We had been through many things together and always loved taking ourselves back to those memories. He will be missed tremendously. One of my best friends.

“ My condolences to the family. I had the opportunity to play music with Steve and spend time with him. He was a great guy who taught me a lot about music and life. I often think of him and his influence on me, and I tell people I play music with today about his impact on me. Steve will be missed, but he leaves a lot of great memories with me and the other people he touched.
