“ *Susie and myself attended St Marys catholic school and also MP high school together and were best of friends. So many memories of things we did. Just by luck I ran into her about a month or so in Dodgeville and we chatted for over 2 hours so glad that happened. Rest in peace Susie and hope to see you in the next world.*

One of my stories I love to tell is one that has Susie in it. We were at a high school dance and somebody complimented my sweater and then asking if it was my sister's. I said "no it's mine!" Susie chimed in with "She does have a few rags of her own!"
